Imprinting the Goodness of Humanity

Welcome To...

Vision

For every social investment to make meaningful life changing impact.

Mission

To focus on creating social investment platforms and solutions that bring about social change for investors and interested parties.

Values

We have only one Value and that is **EXCELLENCE** in all we do.

About RISE

RISE links corporations seeking to make meaningful, high impact social investments with beneficiaries needing much sought-after relief, for various initiatives in the communities they live and work in. The organization's founding ethos is on humanity translated in its' slogan The Imprint of Humanity.

The organization provides an end-to-end spectrum of corporate social investment (CSI) services on behalf of donors and beneficiaries, serving as a CSI hub of matching donors to projects. Services include, CSI Strategy Development, Consultancy, Job Placement, Proposal Writing, Securing Funding and Donor Reporting. RISE intends to be the social compass on influencing the national policy landscape on humanitarian factors, especially for Persons with Disabilities (PwD). Companies can outsource their CSI to RISE, helping them to balance their profit-making objectives against their social investment obligations.

RISE has a multi-sectorial approach, making it wholly inclusive for beneficiaries and seeks partnerships with local and international corporations that can provide funding and even extending technical assistance.

Anchored in the Kingdom of Eswatini, Mbabane, and operating as a Not For Profit Organization, RISE is affiliated to the Co-ordinating Assembly of NGOs in Eswatini (CANGO).

The name RISE was carefully selected by the Founder as she wanted a name that would be symbolic in articulating growing higher, as well as, being unforgettable. It also had to be short, simple and universally understood.

OUR BRAND SYMBOLISM

Our brand essence is informed by our quest to make a difference in the world. Our drive, to leave an imprint of goodness on humanity with each passing moment and interaction.

OUR PEOPLE

Our founder and people at RISE believe that rising to the challenge of positively impacting lives is true purpose of one's life. They believe that acts of goodness imprinted on others creates a ripple effect in peoples' hearts, recreating our character as humanity, shaping us anew.

OUR BRAND ID

Our brand identity visuals of human icons and the fingerprint embrace this very narrative which has been our sole drive to simply do good in the world.

RISE's services are primarily delivered via the following Program Pillars

- 1. LIFE SKILLS We provide a robust, life-skills and job placement preparation program particularly for Persons with Disabilities who can be employed and integrated into business operations.
- 2. SIGN LANGUAGE The Eswatini National Disability Plan of Action (2018) has sign language as a key deliverable program the country must attain by 2022. RISE offers Sign Language courses to companies and organizations that uphold diversity, making them leaders in their business operations by ensuring especially front-line staff are trained in sign language. By so doing companies create distinction and improved customer response.
- 3. FINANCIAL EDUCATION Partnerships with financial institutions that embody financial literacy, affords us the opportunity to ensure that we are able to provide financial education workshops to entrepreneurs. We utilize the content developed by these institutions to a broader audience, equipping them with knowledge to make sound productive financial decisions and better manage their money.
- 4. YOUTH BOARDS Focus on the youth has taken centerstage and RISE is seeking corporate partnerships that assimilate youth in serving in cross-functional business operations committees.
- 5. SPORT Low capital infrastructure investment sports are our focus. Partnership with the Eswatini National Chess Federation to ensure that chess is played in all schools at pre-school to tertiary level, including at business level is our goal.
