## EMPLOYABILITY

### Project Profile

RISE's Imprinting EmployAbility is a keystone Persons With Disabilities In The Workplace program ran by RISE and one where RISE invites corporations to uphold their culture and diversity programs and policies by hiring Persons With Disabilities and ensuring that workplace environments are comfortable for individuals with disabilities.

We have a proficient database of super skilled persons seeking employment and hiring of their services like Christ Worshippers Gospel Group that not only sing at corporate events but also have farming skills. We also have vocational workers that can be sub-contracted by organizations.

We urge corporations to enhance their human resources complement by hiring Persons With Disabilities and begin to consider their operations not only from their perspective but also from their customer perspective.

Should your organization need assistance in transitioning into become a fully-fledged equal opportunity employer eager take on a Persons With Disabilities or require assistance in becoming an organization that is ready to service a customer with a disability, contact us today for a consultation or more information.
